

Diamond Crystal® Hardi-Cube® and Hardi-Cube® Red•Out® Compacted Salt

Uniquely compacted water softener salt

Made with up to 99.8% pure salt, this premium-purity softener salt has a uniquely compacted shape for extra hardness. Virtually 100% water soluble, it is specially formulated to resist mushing and bridging in the brine tank- helping to keep your softener clean and trouble-free.

The Red-Out® formula product also contains a highly effective rust remover which helps to prevent rust stains on laundry and household fixtures.

Recommended for use in all water softeners. Available in limited areas.
