

**Item:** 4105 - Vectron®

**Description:** Palm Coated Knitwrist

**Sizes:** 5, 6, 7, 7.5, 8, 8.5, 9, 10, 11, 12, 13, 14

**Fabric Content:** 73% Dynamax®42, 12% Pylex 9% Duralon®, 6% Spandex

**Coating:** Synthetic Bi-Polymer

**Style/Pattern:** Palm Dip

**Cuff:** Knitwrist

**Color Coding:** Wrist Color Coding:

- 5 - Purple
  - 6 - Yellow
  - 7 - Red
  - 7.5 - Dark Green
  - 8 - Blue
  - 8.5 - Black
  - 9 - White
  - 10 - Green
  - 11 - Brown
  - 12 - Orange
  - 13 - Light Blue
  - 14 - Light Gray
- Wrist Hem Color: Red

**Packaging:** 12 pair per size per bag, 12 dozen per size per carton

**Cut Test Data:** ANSI/ISEA 105-2016 - A4

**EN 388:2016:** Not Tested

**Tensile Strength:** 117 Newtons

**Applications:** Vectron® gloves are light weight, flexible and extremely durable. The polyurethane palm coating allows these gloves to provide dexterity and tactile feel. The Dynamax®42 continuous filament yarn provides high tensile strength to resist the force of a cutting edge and provides protection from rough surfaces such as sheet metal. The inner core yarn is Pylex®, which is harder than glass in order to protect from razor sharp metal edges as well as sheet glass. Vectron® gloves are ideal for field service work where multiple cut hazards can be encountered.

**Information:** Vectron® gloves are 100% latex free and treated with Sanifresh® to keep bacteria from growing both during and after glove use. The new Taperfit® knitwrist cuffs are extended length to protect the wrist area without causing tightness or discomfort. Vectron® gloves can be cleaned repeatedly with the Bantex® cleaning process.

**Cautions:** Polyurethane coatings offer the most comfort and dexterity but provide the least abrasion and puncture resistance as compared to nitrile or latex coatings. These gloves are made with a synthetic yarn, so they should not be used near heat or open flame. Vectron® gloves should be edge-tested prior to approval for use.

**Patents:**

**Country of Origin:** Sri Lanka

**Certifications:** Manufacturing facility has been certified by SGS to meet the following Standards:

- ISO 9001:2008 Quality Management System
- ISO 14001:2004 Environmental Management System
- OHSAS 18001:2007 OH&S Management System
- SA 8000:2008 Social Accountability
